2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. 4a (Code:) (Expenses \$ 149,577 including grants of \$ 992) (Revenue \$) Academic Programming - The academic component holds the largest emphasis in our programming, as we believe education is foundational to a student's success. Academic support is provided in the way of tutoring, standardized test preparation, college application and scholarship assistance, in-school assistance in classrooms and administration, and providing resources such as computers and material to complete homework and projects. We also work with the parents and school district to monitor and track academic outcomes such as grades, GPA, attendance, and behavior reports to provide a holistic approach to the students' success. Parental involvement in their child's educational process is a requirement for participation in the program.

4b (Code:) (Expenses \$ 131,145 including grants of \$ 744) (Revenue \$) Tennis Programming- Believing in the transformative power that sport can provide, we use the sport of tennis to reinforce the skills, values, and life lessons that are taught throughout the other parts of our program (academics & enrichment). Tennis is provided in the form of private and group instruction, Junior Team Tennis leagues, tournament play, summer camps, and community tennis events. We employ certified tennis instructors and comply with the USTA's most up to date recommendations on industry standards.

4c (Code:) (Expenses \$ 130,990 including grants of \$ 743) (Revenue \$) Enrichment Programming - Enrichment is a foundational component to our programming as it allows for our students, staff, and volunteers to build relationships through shared experiences in extracurricular activities, mentoring opportunities, college tours, community service, character development instruction, and first time exposure opportunities. What makes our program unique is the emphasis and intentionality on using our enrichment activities for teachable moments as a way to reinforce these skills and values.
